Sessions

October 14 (Friday) **October 15 (Saturday)**

October 15 (Saturday)

**Breakfast with Masters I, Covered Metal Stent for Benign Biliary Stricture**

07:30-08:20 Great Room

Moderators Jong Ho Moon (Korea), Bancha Ovartharnporn (Thailand)

BM1-1 Treatment of benign biliary strictures, hilar and non-hilar, with fully covered SEMS 07:30-07:50  
Jan-Werner Poley (The Netherlands)

BM1-2 Recent development in metal stent for patients with benign biliary stricture 07:50-08:10  
Jong Ho Moon (Korea)

**Breakfast with Masters II, Endoscopic Management of Large CBD Stones; Lithotripsy vs EPLBD**

07:30-08:20 Great Room

Moderators Ho Gak Kim (Korea), Jeffrey H. Lee (USA)

BM2-1 Difficult stone management 07:30-07:50  
Takao Itoi (Japan)

BM2-2 Endoscopic lithotripsy on large CBD stones 07:50-08:10  
Chan Sup Shim (Korea)

**Breakfast with Masters III, Endoscopic Intervention of Complications of Acute Pancreatitis**

KAL Limousine Bus  
**Discount Coupon**

Top

<b>07:30-08:20</b>		<b>Great Room 3</b>
Moderators	Jong-Kyun Lee (Korea), Hsiu-Po Wang (Taiwan)	
BM3-1	Endoscopic management of pseudocysts, abscesses and walled-off necrosis Wim Laleman (Belgium)	07:30-07:50
BM3-2	Prevention of post ERCP pancreatitis Mitsuhiro Kida (Japan)	07:50-08:10

#### Breakfast with Masters IV, Recent Advances in Interventional Radiology

<b>07:30-08:20</b>		<b>Studio Room</b>
Moderators	Do Yun Lee (Korea), Jae Hyung Park (Korea)	
BM4-1	Recent advances in hepato-biliary intervention Yasuaki Arai (Japan)	07:30-07:50
BM4-2	Recent advances in portal venous intervention Ziv j Haskal (USA)	07:50-08:10

#### Live Demonstration III

<b>08:30-10:00</b>		<b>Vista Hall 1&amp;2</b>
Moderators	Todd H. Baron (USA), Richard Kozarek (USA), Yun Hwan Kim (Korea)	
Panelist	Thawee Ratanachu-ek (Thailand), Jan-Werner Poley (Germany), Jean Escourrou	
Video Present	Mayo Clinic, USA - ERCP	08:30-09:00
Live Center	Virginia Mason Medical Center, USA - ERCP / EUS / RFA / EMR / PDT	09:00-10:00

#### Session VII, Early Esophageal Cancer

<b>08:30-10:00</b>		<b>Vista Hall 3</b>
Moderators	Young il Min (Korea), Peter D. Siersema (The Netherlands), Raf Bisschops	
L7-1	Endoscopic treatment of early esophageal cancer Hwoon-Yong Jung (Korea)	08:30-08:45
L7-2	The photodynamic therapy for treatment of gastrointestinal diseases Jong-Jae Park (Korea)	08:45-09:00
L7-3	Management of post-esophagectomy syndromes: reflux, stricture and dumping Chan Sup Shim (Korea)	09:00-09:15

L7-4	management of Barrett's esophagus-related neoplasm Peter D. Siersema (The Netherlands)	09:15-09:30
Case 7-1	Kee Don Choi (Korea)	09:30-09:45
Discussion		09:45-10:00

**Coffee Break & Visit Poster Exhibition 10:00-10:30**

**Session VIII, Pancreatic Intervention**

<b>10:30-12:00</b>		<b>Vista Hall 1&amp;2</b>
Moderators	Ziv J Haskal (USA), Ho Gak Kim (Korea), D Nageshwar Reddy (India)	
L8-1	Advances in endoscopic stenting for benign pancreatic stricture Young Deok Cho (Korea)	10:30-10:45
L8-2	Management of pancreatitis complications: the radiologist's role Sanjay Bajjal (India)	10:45-11:00
L8-3	Surgical management of chronic pancreatitis Dong Sup Yoon (Korea)	11:00-11:15
L8-4	EUS-guided therapy as a novel modality for pancreatic diseases Mitsuhiro Kida (Japan)	11:15-11:30
Case presentation and discussion		
Case 8-1	Young H Kim (USA)	11:30-11:45
Case 8-2	Hyoung-Chul Oh (Korea)	11:45-12:00

**Session IX, Advanced Esophageal Cancer**

<b>10:30-12:00</b>		<b>Vista Hall 3</b>
Moderators	Young Mog Shim (Korea), Dora Kwong (Hong Kong), Christopher Khor	
L9-1	The challenge and future direction of esophageal cancer Sung-Bae Kim (Korea)	10:30-10:45
L9-2	Surgical perspectives: evolution of esophageal cancer treatment Tanaphon Maipang (Thailand)	10:45-11:00
L9-3	Radiation therapy in advanced esophageal cancer: evolution and role of radiation Satoshi Ishikura (Japan)	11:00-11:15
L9-4	Non-surgical treatment: current progress in chemoradiotherapy in localized Dora Kwong (Hong Kong)	11:15-11:30

Case 9-1	Jong Hoon Kim (Korea)	11:30-11:45
Discussion		11:45-12:00

### A Guide to Better Manuscript Writing in English

<b>12:00-13:00</b>		<b>Vista Hall 1&amp;2</b>
Moderators	Richard Kozarek (USA), Ho-Young Song (Korea)	
LE-1	The ABCs of writing medical papers in English Todd H. Baron (USA)	12:00-12:15
LE-2	How to enjoy writing medical papers in English Ziv J Haskal (USA)	12:15-12:30
Discussion		12:30-13:00
Discussants	Todd H. Baron (USA), Ziv J Haskal (USA), Dong Wan Seo (Korea), D Nageshwar	

### Session X, Biliary Intervention II

<b>13:00-14:30</b>		<b>Vista Hall 1&amp;2</b>
Moderators	Chang Won Kim (Korea), Ho-Seong Han (Korea), James Lau (Hong Kong)	
L10-1	Overview of post-transplantation biliary stricture Kwang-Woong Lee (Korea)	13:00-13:15
L10-2	Stenting for post-transplantation biliary stricture: endoscopist's role Takao Itoi (Japan)	13:15-13:30
L10-3	Stent placement for post-transplantation biliary strictures: radiologist's role Ziv J Haskal (USA)	13:30-13:45
L10-4	The role of covered metal stents for benign biliary stricture Rungsun Rerknimitr (Thailand)	13:45-14:00
Case presentation and discussion		
Case 10-1	Jong-Kyun Lee (Korea)	14:00-14:15
Case 10-2	Dong Il Gwon (Korea)	14:15-14:30

### Session XI, Current Outstanding Issues in Esophageal cancer

<b>13:00-14:30</b>		<b>Vista Hall 3</b>
Moderators	Sang Woo Lee (Korea), Tanaphon Maipang (Thailand), Wojciech Cwikiel (USA)	
L11-1	Quality of life issues after esophagectomy Young Mog Shim (Korea)	13:00-13:15

L11-2	The role of anti-reflux stents in esophageal strictures Hans-Ulrich Laasch (UK)	13:15-13:30
L11-3	Interventional management of esophagorespiratory fistula Ji Hoon Shin (Korea)	13:30-13:45
L11-4	Role of balloon dilatation for postoperative or post-RT esophagus stricture Heung Kyu Ko (Korea)	13:45-14:00
Case 11-1	Jinoo Kim (Korea)	14:00-14:15
Discussion		14:15-14:30

**Coffee Break & Visit Poster Exhibition 14:30-15:00**

**Live Demonstration IV**

<b>15:00-16:30</b>		<b>Vista Hall 1&amp;2</b>
Moderators	Young il Min (Korea), Hans-Ulrich Laasch (UK), Hyun-Ki Yoon (Korea)	
Panelists	Sang Joon Park (Korea), Laleman Wim (Belgium), Jorma Halttunen (Finland),	
Live Center	Asan Medical Center, Korea - Interventional EUS	15:00-16:30

**Paper Presentation VII, Lower GI**

<b>15:00-15:30</b>		<b>Vista Hall 3</b>
Moderators	Seung-Yong Jeong (Korea), Yasuaki Arai (Japan)	
O-19	Changing the fecal route after emergency left sided malignant colonic obstruction Supakij Khomvilai (Thailand)	15:00-15:10 15:10-15:20
O-20	Fluoroscopically guided balloon dilation for colorectal anastomotic strictures: Pyeong Hwa Kim (Korea)	15:20-15:30
O-21	Use of the triple co-axial system in coil embolization for lower gastrointestinal Masashi Shimohira (Japan)	

**Paper Presentation VIII, Pancreas**

<b>15:30-16:00</b>		<b>Vista Hall 3</b>
Moderators	Eun Young Kim (Korea), Jin Wook Chung (Korea)	
O-22	CT-fluoroscopy guided drainage of pancreatic leakage after pancreatectomy Haruyuki Takaki (Japan)	15:30-15:40

O-23	Excellent Efficacy of High-resolution EUS for Insulinoma Localization Pradermchai Kongkam (Thailand)	15:40-15:50
O-24	Outcome of endoscopic ultrasonography-guided ethanol lavage for incidental Byeong Jun Song (Korea)	15:50-16:00

### Paper Presentation IX, Others

16:00-16:30

Vista Hall 3

Moderators Anthony Kalloo (USA), Joo Young Cho (Korea)

O-25	Human applications of submucosal endoscopy under conscious sedation for Suck-Ho Lee (Korea)	16:00-16:10
O-26	Submucosal dissection and transmural resection of gastric lesions assisted with Miquel Masachs-Peracaula (Spain)	16:10-16:20
O-27	Transgastric peritoneoscopy using forward-viewing EUS: the evaluation of Tae-jun Song (Korea)	16:20-16:30

## Closing Ceremony

16:30-17:00

Vista Hall 1&2

Concurrent Sessions (\*These sessions will be operated in Korean.)

## Radiological Technologists Session

09:00-12:00

Great Room

Moderator Won-Hong Cho (Samsung Medical Center, Korea)

Lecture 1 A review of factors affecting patient radiation dose for G-I intervention 09:00-09:50  
Byung-Sam Kang (Shingu University, Korea)

Lecture 2 Incidence and management of complications caused by gastrointestinal stenting 10:00-10:50  
Jung-Hoon Park (Asan Medical Center, Korea)

Lecture 3 Stent technology 11:00-11:50  
Min Koo Lee (Taewoong Medical, Korea)

## Nursing Session: Patient Management in Gastrointestinal Procedure

13:00-14:30

Great Room

Moderator Soo-ho Yoon (Yonsei University Health System, Korea)

Opening Opening remarks: Kyoung Sook Kim (Asan Medical Center, Korea)

Lecture 1 Special Lecture: Procedural sedation and analgesia 13:00-13:30  
Young Chul Yoo (Yonsei University Health System, Korea)

Lecture 2 Nursing management of PTVO (Percutaneous Transhepatic Variceal Obliteration) 13:30-13:50  
Sun Ei Kim (Samsung Medical Center, Korea)

Lecture 3 The report of rendezvous method 13:50-14:10  
Kyung Ah Kim (Asan Medical Center, Korea)

Lecture 4 Nursing for endoscopic stenting 14:10-14:30  
Sang Hun Lee (Ajou University Hospital, Korea)
